### **BOB LEVINE ANNOUNCES THE FORMATION OF L2 CAPITAL**

**RADNOR, PENNSYLVANIA – March 8, 2011** – Bob Levine, an industry veteran and co-founder of Milestone Partners, announced the formation of L2 Capital Partners, a lower middle market investment firm focused on privately-owned manufacturing, service and distribution companies with revenues of \$10 million to \$75 million and valuations of up to \$50 million. L2 Capital has over \$50 million in available capital and plans to invest \$1 million to \$15 million in each transaction.

“Our vision is to create a new kind of private equity firm where our experiences, contacts and resources will be used to support investments in which our principals, rather than passive investors, provide the capital,” Levine said. “In this way, we expect to be able to offer a more streamlined decision-making process in devising flexible, customized transaction terms that should resonate well with the owners and management teams of target companies.”
